Sir,

I well recollect
your cautious remarks
after seeing Inwood
Castle with Prof. Allman
on the Lake St. John.
On Friday Aug 6 I had
the pleasure of listening
to some learned strangers
who I was told had
never seen the place
before; but the inference
naturally was, that they
had been born there

3000 years ago.

I had no opportunity
in time to say but a
very few words, but
was told that General
Pitt Rivers would
laugh at you; this
was from a L.I.D.

I have made excavations all
over this place down to
the solid chalk, & can
safely say that nothing
pre-Roman has been
found. I can quite as
safely say that it
never was a well. top
further.

Including the consecutive
Roman camps, Dungen
or Cadbury, it is
not proper to health
you with further
Permit me to express
my hope that you
are stronger than at
Dorchester, so I beg
to remain
Sir

Your Obedt Servt

J. H. Gammage Esq

Genl Pitt. Rivers F.R.S.
