Dear Sir:

If the photographs  
are of any interest  
to you please keep  
them. I am sorry  
to say I cannot  
give you the  
information you

ask; but will look  
through my Falters  
notes, and if I  
come across any-  
thing connected with  
Woodcuts concern  
I will send it to you;  
I regret to say, that  
on account of  
several moves my  
Falters collection

of antiquities has  
been almost entirely  
destroyed.

Yr truly

J. H. Austen
