Anc.^{ne} Maison V.^{no} Delépine

Pierre Crémel, Succ.^r

Jersey, le 31 August 1897.

Dear Sir.

All my Dorchester Meeting papers are in London and up to the present I have not made up my list etc. I expect to be back in Town at the end of the week in order to put things in order and will then send you the list. I cannot see for four days but as the fishing and sailing is good I have been staying on.

Yours truly
Wm. Stephenson.

General Pitt Rivers.
Rushmore.
