CARLISLE.

Sept. 20/97

Dear General Pitt-Rivers

Thanks for your kind  
present of a copy of your  
Address to the Archaeological  
Institute at Dorchester, which  
I listened to with much  
interest. I look forward  
to reading it quietly, & to  
finding it a very useful

LOWTHER STREET,

CARLISLE

book of reference.

Thanks also for your  
kind invitation to Rushmore,  
of which I hope at some  
time to avail myself.

Yours very truly  
Richd S Ferguson
