To

General Pitt Rivers.

Dear Sir,

As you have always
so courteously given me
permission to show my friends
your beautiful park and
grounds, I am writing
to say that my friend
Mrs Cole and her daughter
from Torquay have
^{desire} great to see your
interesting Museum
and the Larmer Tree

68
grounds; and, if time
permit, I would like
with your kind
permission, to show them
what you have, so
interesting, in your
private park.

I remain, Dear Sir
Your obedt Servant
James Marshall
