My dear Father

Creek says that
Mr. Gillet will not be able to
turn out of the Rookery for 3 weeks,
as the house she is going in is
not ready for her - There is a
local Builder there (Hayward
& Bartlett) which would be less
expensive than getting one from
a distance - I hear that

they were only digging for
stones for the road at Shroton
not for Antiquities. & that
the cross was made to
build a bonfire at the time
of the Jubilee -
