Dear Sir,

I beg to thank you very much for the three interesting pamphlets you so kindly sent me on excavations in Bokerly & Wansdyke &c - I went in August to Farnham to visit your museum which I had long wished to see, but found the two days which were all I could then

space quite insufficient  
to study its contents, I  
shall look forward to paying  
it another visit later.

Believe me

yours very truly
