

Please remember me  
to Mrs Pitt Rivers &  
your son whom I met.

I am going straight to

Dear General  
I thank you for  
the copy of your Presidential  
Address to the Arch. Inst.  
and for your very kind  
allusion to my late  
discoveries. The statement  
of the facts of your

finding the worked flints  
at Shebs, in gisement  
is a very clear and  
able one, especially  
in reference to the  
statements of good old  
Sir William Dawson, who  
writing on behalf of the  
S.P.C.K. wishes to  
reduce the age of the  
universe to the  
Mosaic Chronology.

I have come here on  
my bench from London  
in 21 days to  
catch the Caledonia.
