

£ 100 I shall be
most grateful & shall
never beg again! It
would make all the
difference as Coa will
stand a certain amount of
overdrawing if I can pay
them in this, & he has had

some time & of course is
not nearly big enough to meet
all my liabilities

My Dear Father

Can you help out
in my small financial
crisis? I write begging.
but I write ~~with~~ ~~depth~~
still more. My new landlord
of 13 Cheam P. is pressing
through his solicitor for

30 FOWLER SQUARE
W. 2

a payment in full of
his claim (£387.10.0)

I stupidly had not
anticipated such a claim
& have spent about £500
on 19 Essex Square - This is
more an investment through
than extravagance - On the
top of this comes the order

for ... for. & its attendant
expenses, uniform, passage
insurance &c. Int. to
mention Blossie Con-
firmment of repayment
about £60 ~~or~~ 70. Be
dial like to ask Lady Fitz
as she is hard pressed to
pay off her law bill expenses
& has due so much for us.
If you could see your way to
