Dear Pitt Rivers

I am sending off the Chinese spears to you and

I enclose also the Irish

swords - There is one very

long one another ordinary one

and a third broken - I think

I may ask you £9 for the

three - The spears are £10 -

It is a troublesome job
trying to dispose of the
antiquities for Mr Banks
widow as I have to get
them priced by experts &
then find a buyer -

Yours very truly
L. M. C. C. C. C.

If you don't want the
swords you can send
them to the Genl Sec.
