MOLLARD ROYAL RECTORY,
SALISBURY.

Dear General Rivers!

Would you object to
Mr. Jay taking the Organist
place, ^{to begin} on Sunday the 26th
otherwise I shall be left
in the lurch? In the agreement
he would be subject to a
month's notice, so that if
you did not like him to
continue it, I would tell
him & try to get some one
else. The time is so short
that I shall be glad to
