Dear General Pitt-Rivers

Many thanks for your letter & your kind consideration for my wishes which it contained. I gather however from your letter that you regret leaving let this house, now feeling the want of it. If this be so,

I am quite prepared  
to give you up possession  
of it on the 6<sup>th</sup> of May next  
which would give you  
~~the~~ best part of the London  
season. My rent, of course  
to cease from the day I  
gave up possession.

My wife & I are truly  
sorry to hear that you

are not well, & we hope  
that my proposal may  
meet your wishes.

It would be kind of  
you to give me an  
answer to this enquiry  
on or before the 6<sup>th</sup> of  
<sup>Monday</sup> ~~Friday~~ next.

Believe me to be  
Very truly yours  
W. Kebley
