- C. N. Pleyte W<sup>sr</sup> begs to  
acknowledge General Pitt Rivers  
letter of the 19/97 and to say that  
the God in Taf. III. is already des-  
cribed of.  
- to say what concerns the official  
matter.

Yesterday I spent a very pleasant  
day in the Museum. The first time  
I was ever here Prof. Tylor himself  
showed me the collections which  
have very much increased since.  
I am a great admirer of what  
you have done for the propagation  
of the ethnological science, and  
should therefore have been very

pleas'd to make personally  
acquaintance with you.  
As I may here only till to  
morrow, there won't be any  
chance of seeing you, but  
whenever you come to Holland  
I hope you will call upon  
me and I shall be very glad  
to show you myself the collection  
in my country.

I believe me Sir

yours very truly  
C. M. D. P. L. E. T.
