BRITISH MUSEUM,

LONDON : W.C.

My dear General.

I am very sorry to hear
of your having got knocked
upon your visit to town -
There is no hurry about the
Berlin things -

I have seen the two
wonderful glasses at Tre-
garkis' and should like
to have a little talk with
you about them - I will

call in the hope of being
able to see you tomorrow
about 4-30 - If you
are not visible do not
trouble to write as I
shall be in your neigh-
borhood anyhow

Yours truly
Charles Reed
