Sir

I am a candedate for the mastership of the Canterbury School of Art which is worth £150 a year.

I have been five years at the Royal College of Art & have the certificates which qualify me for the

Position I wish to
obtain.

I have been nearly three years at Rugby more & have had a very good training in the work carried on here.

I would be glad if you would kindly give me a testimonial.

I remain
Yours obediently
G. F. W. Johnson
