THE DOWN HOUSE,  
BLANDFORD.

Dear General Pitt Rivers

I have just had a letter from Mr Cunningham asking me to let him go on with the opening of the big barrow on my down near General Pennes which was very unsuccessfully attempted last summer - Mr Pleydell told me you were anxious to undertake it

THE DOWN HOUSE,

BLANDFORD,

And I said I should  
be only too happy if  
you would do so & I  
gave orders that it  
should not be touched  
without special orders  
from you - I have  
therefore written to  
Mr Cunningham to  
that effect & I  
hope when you un-  
dertake the matter

Some thing of interest  
may come to light.

Believe me

Yours truly

Wm Mitchell
