MOLLARD ROYAL RECTORY,
SALISBURY.

Dear General Rivers:

Many thanks for
your generosity in sending
the two cheques - I am
grateful & I am sure the Ringers
are - The rain came thro'
the roof of nave & I have to
pay £2.17 for re-leading -
I cannot get any more from
any body here for repairs etc
so I will pay it out of the
10 £. I was 12 £ out of pocket
this year - I think the new

Organist will be satisfactory

He is going to reside here
which will be very
convenient. His Salary is
\$20 to a year. I had
& applications but none
will come under that sum.

His pen is very musical
he plays 2 or 3 instruments.
He comes from Sturminster
& Isaac Saunders gave him
an excellent Character.

He is a Carpenter by trade
& will be glad of some
employment.
