Dear Sir -

Would you like
to buy an enormous
Mau Trap, for
your Museum?
I know you have
a small one, but
nothing like mine!
It belonged to my

WYKE HALL

Just Uncle
Thomas King -
who had the
little discussions
over Cranborne Chase
with your Ancestors -
If you are disposed
to look at the
Man Map, I should

be delighted to
show it to you,
as well as my
Pictures of those
famous Law Suits.
Could you and
Mr. Rivers drive
over one day?
If you will for a
time out to walk
I will be at home -
