My dear Sir

By the work of  
W. Horsburgh, General  
director of the University  
Extension Centre in  
Hants & the Southern  
Counties a Conference  
will be held here on  
May the 4th.

This will be followed  
by a public meeting

in the evening at which  
the Dorchester O. U. S.  
Committee will be  
gratified if you will  
take the chair.

Representatives  
from twenty four  
towns in Dorset, Wants  
Somerset or Wilt's will  
be invited to the Conference.  
It is hoped that the  
General meeting  
will stir up enthusiasm

for this great educational  
movement. May we  
depend upon your  
presence & support?  
W. Warratt from  
Dorset, W. De Vaux  
from O. U. S. College Reading  
as well as W. Worthing  
will attend.

May I beg the favour  
of an early reply  
which I trust will  
be a favourable one.
