May 3rd/98.

Dear General Pitt-Rivers
We propose to hold
a meeting of the Field Club
at Hod Hill in the autumn
when Prof. Boyd Dawkins has
kindly promised to give an
address on some excavations
he has made on Hod Hill
in the morning. Sir Talbot

Baker has suggested that
I should write & ask if you
would be so kind as to allow
us to see your excavations
at your Roman Villa near
Rauston in the afternoon.

Would Sept. 20th suit you
as a date? I find this will
suit Professor Boyd Dawkins
& Sir Talbot, at whose house
we are to have luncheon.

I should be much obliged
if you could let me have
a line in reply before the
9th inst. so that we may be

able to come to a decision at our Annual
Business meeting which we hold on that day
at Dorchester.

I think that Hod & the Roman villa together
will make a good programme if it should be,
as I hope, convenient to you to allow the Club
to come, and if you are also good enough to
be present yourself on the occasion & tell us
something about the place.

Believe me

yours sincerely

Edmund Richardson.
