TARRANT KEYNSTON RECTORY,
BLANDFORD.

May 19th 1898

Dear General Pitt-Rivers,

I thank you very
sincerely for your kindness in sending
me the three volumes of your "Excavations"
which came yesterday. I value them
very much indeed for themselves, but more
so for your kindness in giving me the
opportunity of acquiring a knowledge of
a subject, most interesting to me, from

Such remarkable examples of
archaeological research.

I am conscious that I can make
but a very feeble return for such kindness,
but I feel sure that it will be some
satisfaction to you to know that you
have given to some an intelligent in-
terest in this work of excavation, and
have done more to show them how it
ought to be carried out than any others
I know of.

With renewed thanks

Remain

Yours very truly & gratefully

E. Highton
