June 6. 50

My dear Sir,

I thank you for your
note of June 3rd. I do not
think it would be an
easy matter for me to
effect an exchange with
a Broad Churchman - I
have been down to stay
with Mr. Plowman, and
preached in his Church last

Antwinn. and I saw nothing
whatever, but such as is to
be seen, I mean in the way
of ritual, in the Church of
Am. Broad Churchman.

I was led to think that
Mr. Plowman was a good
Churchman - but not so
advanced as myself (if I
may say so. quite non-
and really I am not advanced -

If you are kind enough to
allow the exchange to be made
by appointing Mr. Plowman, in my place here.

which I hope nothing will

prevent, I should be glad
if the arrangement could be
carried out as soon as
possible - as these matters
connected with the Title Rent
&c. could be more easily
settled.

Trusting that you are
better in health

I beg to remain

Yrs. truly
