Dear Genl. Purvis

I am very glad
that you are fairly
well, as you have
been away + so
on, & I trust you
will be all the better
for the change.

Please give my best
regards to Mrs Purvis
& your son if at home,
— the one I know.

I am sending the
case of implements
// today.

I go to Norway on
Th. of next week.

I have included
the only stone implement
I found at the ~~lost~~^{lost}
Emerald Mines of
Zabara in Jan,

namely 3 objects
in micaceous schist,
or talcose schist,

all the impls are
named as to locality.

No one but Dr Sturge
has seen them (the
latest mine impl-
I cannot show on
account of W. Forber)
who I think will acquire
a ~~set~~^{sent} Sturge \$1 for 70[£]

I have now about
10[£] worth left
for I think my friend
Wood. ^{You surely}
W. Weston have
