Dear General Rivers

I have sent  
a small series  
of Egyptian  
Instruments to a  
Mr. Newton, & asked  
him if he does  
not retain them  
to send them  
on to you if you

will accept them  
as an addition to  
the others; if  
my winter work  
is well represented  
in your Museum  
I shall feel that  
my winter has  
been well spent  
as regards ~~my~~  
the Desert.  
Yours truly  
W. S. K.
