Dear Sir

I am sending the  
box of casts by Elliotts Coach  
on Saturday (tomorrow).  
The Coach will pass the  
Museum about 12.0'clock.  
or I think they are safely  
packed. I hope some one  
will look at them as soon  
as received, as my respon-  
sibility will end when  
they are delivered.

The wooden coner of the  
box has an old crack across  
it - will not have happened  
on the journey, the use of -  
course of it is of no value.

I shall be glad to  
hear they have reached you  
safely, & trust you will be  
pleas'd with them.

Y<sup>r</sup> faithfully  
M. G. Barbara 5<sup>t</sup> Solms.

I will myself see the box  
placed in the boot of Coach,
