To Gen Pitt-Rivers.

My dear Sir
at last I have made
any pilgrimage & see wonders — If it
is not a liberty may I call in the
hours to see you & Rushmore? & its
various treasures? — Kindly send me a line
by bearer — Last autumn I sent you 2
introductions but they were not acknow-
ledged — So perhaps you never got them —
An Blake is Father of the Royal Society
by a member 57 years, & as you are an
FRS excuse my enclosing his letter —
Unfortunately I must leave here at 3
P.M. & move on to be back in London to mor-
row — a short time for all your wonders — I have
just returned from Rome & Florence — In the
Evening I prepared King John House & Rushmore (if
agreeable) this afternoon the Museum & Larmer
Excuse my humbly in & believe me yrs truly
