

If you would Condescend  
to make my house  
your Hotel. (Poor  
Frank always call'd  
it the Donned House Hotel)  
I should be honored  
& flatter myself  
could make you  
comfortable. And  
awaiting the favor of a  
Reply I remain  
Very faithfully  
Henry Willett

My dear Sir.  
The Baron von  
Kugel of the Cambridge  
Museum. has offered  
a wish through Major  
Olliver of Findon  
Sussex to be allowed  
to excavate a pit  
at Cigboyn Camp

I have obtained leave  
from Colu Widen  
(the owner) for this  
to be done. I we  
are waiting to know  
When the Barn can  
Come.

Now as you are  
"facile princeps"  
in all such work

I write to know

I if you would like  
to come & give  
the work the benefit  
of your large experience  
in Counsel to the  
proposal, viz  
where & for what  
definitive the  
experiment should  
be made
