Dear Sir,

Allow me to thank
you sincerely, in the 4th
column of your very in-
teresting work, which I re-
ceived this morning. I can
only repeat what I have
said before that it will be
a lasting pleasure to me to
study it, more particularly
as it has been my privilege
to know, and to have seen
the author of it, engaged in

his excavations. I trust you
may long be spared to continue
the work you so delight in &
devote so much time and
money for the benefit of our
neighbourhood, and our
Country.

I am hoping to arrange for
a "Masonic Picnic" very
shortly at Larmer Tree!
may I venture to ask if
you would honour us with
your presence at Sherb., &
afterwards to give us a short
account of Larmer Tree
& its associations? We hope

to bring some musical
People with us.

I am, Dear Sir,

Yours obediently,

O. H. Lutro
