ARNOLD HOUSE,  
MONTPELLIER TERRACE,  
BRIGHTON.

My dear Sir

I hasten to tender  
you my best thanks for  
the beautiful book on  
Cranbourne Chase which  
you have been generous  
enough to present to me.

We have just heard  
from Baron von Hugel

which I have no doubt you  
have seen a description  
of. If not I will ask him  
or C. Read. to let you have  
a copy of it in a pamphlet  
they published. I regret  
much to hear of your failing  
health & sincerely hope  
Convalescence is near at  
hand & with renewed thanks  
for all your kindness  
My dear General Pitt Rivers  
Very faithfully  
Henry Willett

who seems to me to be  
one of those uncertain  
men that are so trying  
to those who have duties  
in other directions.

He talks about Sept  
or October after he  
returns from Switzerland  
So I have told Capt  
O'Brien I must leave  
the matter in his

hands, as he is at  
Friden is on the spot  
but if the Baron gets to Ipsbury  
in an Equinoctial Gale I  
don't think he will stop long

I note what you say about  
High Down Hill. but I don't  
think the owner Mr Henty  
would let anyone dig  
there except himself.  
he has found some very  
interesting objects among  
others. a glass vase with  
a Greek inscription
