Dear Sir

I have, this last fortnight  
been anxiously expecting an  
acknowledgment of the safe  
arrival at the Museum of  
the box of casts, which you  
agreed to purchase for  
5 guineas. I myself saw  
the box placed in the boot  
of Elliott's "Royal Blue" Coach  
at 7-30 a.m. before the  
Coach started on Saturday  
the 9<sup>th</sup> July. I enquired

of I think & was informed  
the box was safely delivered  
that day, but as my respon-  
sibility ceased after delivery  
& a fortnight has passed since,  
I could only expect that the  
Carte would be acknowledged.

As it is a matter  
of business between us I hope  
you will excuse my saying  
(though it is hateful to me  
to have to do so) that I should  
be glad if you would kindly  
enclose the cheque for £. 5. 0s  
& I should be glad to know  
if you are pleased with

the Carte.

Yrs faithfully  
M. G. Barbara St John
