Lieut Gen Pitt Rivers

Sir

Will you allow me to  
thank you most cordially  
for the facilities given my  
Party of spending a very  
enjoyable day at Larmer  
on Wednesday last.

My duties as president  
prevented my having the  
opportunity of thanking

you when you left the  
grounds

The catering + arrange-  
ments for Luncheon and  
Tea were excellent greatly  
adding to our days pleasure  
all the members of our  
Party being delighted

By same post  
I am sending "History  
and Bye Laws" of my  
Lodge, which I trust  
you will be good enough  
to accept + hope some  
portion may be of

interest, notwithstanding  
it is in connection with  
our Lodge only + not  
a history of Freemasonry  
Generally.

We should welcome  
any of your own works  
you may consider of  
interest to our Craft  
and gladly place them  
in the Library of our  
Lodge, more especially  
would they be valued,  
I believe if bearing

Your Autograph as  
Doubt

I beg to remain  
Sir

Yours very truly  
Daniel Bond
