CLINTON HOUSE
PEMBROKE ROAD CLINTON

Aug. 5th 1898.

Dear Sir,

Last year at Dorchester you kindly gave
me some parts of the 4th volume of
your "Excavations". May I ask if
you have since completed the Vol.
with Index, title &c. and if so, whether
you will kindly send me the pages
of complete mine.

We had a very pleasant meeting of
the R. G. Inst. at Lancaster, through
several of last year's friends - including
myself and Mr. Boyd Dawkins, were
unable to attend.

Wishing your health is better
Yours truly: Alfred G. Hudd.
