To Gen. Pitt Rivers,

F.R.S. &c.

Dear Sir,

I am extremely obliged
for the kind present of the
4th Volume of your "Excava-
tions in Cranborne Chase &c."
a worthy ~~and~~ successor to
the previous volumes. I
am sending the parts you
kindly gave me at Dorchester

to my friend Mr Alfred G.
Pass, late of Clifton, now
residing at Wotton Fitzpaine
Mans., near Charnock.
He has some interesting
prehistoric remains on
his estate there and may
be tempted to follow your
grand example. Some
years ago he did some
digging at Silbury Hill,

of which a report was
published in the Wiltshire
Archaeol. Mag., and is no
doubt known to you. He
was anxious to continue
the work there, somewhat
on your lines, but I believe
Sir John Lubbock objected.
It would be interesting
someday to clear out a
part of the Trench round
the hill, and to ascertain
its construction, in the
way you have done at the
