My dear General

I am glad to hear
that you have nominated
Mr Wilkinson to Melcombe
Bingham. He is a good
& thoughtful man & will
be a pleasant neighbour
to Horworth Smith. I am

Could you help me

This will be met by another
5 $\frac{7}{2}$ & so give him a

I think he is doing

My dear Bishop,

Thanks for your letter. I am glad you approve of Mr. Wilkinson's appointment. I asked him to come here to luncheon to talk to him. His ritualism appears to me to be of an unaggressive character. He says he has written against extreme Sabbatarianism. He is against confession as a rule. I think the best duty of a Patron at the present time is to appoint gentlemen of moderate views who will do nothing to inflame the feeling of the public. I hope you will enjoy your trip to Palestine. You speak in your letter of an enclosure, but it was not enclosed. I will send the £5 you suggest to Mr. Beesley.

Believe me,

Yours very truly,

A. Pitt-Rivers.
