

Memorandum.

The Palace Salisbury,

26 Aug.

1898

My dear General

Many thanks for your  
kind letter. I am particularly  
grateful to you for your help  
to Mr Beesley as it will  
cheer him up.

~~Private~~ You will be sorry to hear  
that poor Canon Dowdes of  
Sturminster is lying spar  
tately ill - You will

therefore probably have to  
supply his place before long.

It is rather a difficult one to  
fill: so that you might glad  
to have time to think about  
it.

The "envelope" I enclosed  
regretting that I had  
forgotten it before I hope that  
you will find time to read it -  
Sincerely yours

Wm. L. Garrison
