Bany Street. W.C.

June 11. 1886.

Dear Sir

In answer to Mr. James's  
note, I beg to say I could  
be in this afternoon from  
4 to 7, any morning before  
Wednesday next week up to  
11, and at any <sup>other</sup> time or either  
of those days you might like  
to fix, when I should be  
happy to show you my things.

I will ask you kindly  
to send me line that I

May know she expects,  
to bring my Catalogue,  
as I have no other  
copy. Believe me

truly yours

Frederick J. Chester.

Gen Pitt Rivers.
