My dear Sir.

I have heard from Mr.
Plowman today that he
will be coming down to
see me on Monday in
next week. I write to ask
if you would be kind
enough to give him a
few minutes for an
interview. Mr. Creech Jr.
on Monday last told me

that you were confined to your
room with bronchitis - I
was very sorry to hear of it,
and trust that you may
soon be able to get out
again -

If you will receive Mr. Howman
for a short time, I will drive
him over, and after his
interview, take him to see
the former grounds of Museum
which will certainly interest
him - I hardly like, as I have
been so persistent, to again
ask you to give a favorable
answer to my request & exchange

incumbencies with Mr. Howman.
I can affirm most honestly
that you need have no fear
of what Mr. Howman's dislike
being introduced.

Not addressed from Herbert
I am writing this in London -
where I shall be till Saturday
night - I ask if you will send
me a telegram ^{to Southampton} on Saturday
day if you will see Mr.
Howman on Tuesday - & the
time must convene!

I beg to remain
Yours truly
