Miss Gwyn Jeffreys presents  
her compliments, she would  
be glad if General Pitt-Rivers  
could have the stationer of  
Van Veen's which she did  
offer for him, if he will send  
it her stationer for it. Miss Gwyn  
Jeffreys would have written

about it before, but she has  
been expecting to hear from  
General Pitt-Rivers as to the  
portrait statue he talked  
of having done this season.

Miss Foy Jefferys would be  
happy to show General Pitt-Rivers  
a statue she has lately  
completed if he can name

a time for visiting the studio.
