Sir,

We are informed by Mr C.H. Read of the British Museum that you are desirous of purchasing two more plaques - Nos. 310 and 311 - from Benin City, the prices of which are £7 and £9 each respectively. If therefore you will send us a cheque for £16 we will hand the plaques over to Mr Harding of St James's Square to pack and despatch as he did on a former occasion, and we would suggest that you should instruct him accordingly.

I am,

Sir,

Your Obedient Servant,
