Dear Sir,

I have just heard again
from Mr. Plouman Gray
that as his wife is returning
from a visit in Suffolk,
^{next week} he thought it would be
a good opportunity for
her to see Ibbotson - and
it would meet her at
Pueplecombe & coming
there on Monday -
He expresses a hope that
you may be well enough

to see him one day in
the week - I should ever be
able to do so will you
kindly reserve a day?

apologizing for troubling
you again - which I should
not have done had not
I received word of Mr.

Thomson's intention

I am ever truly

Yours truly

Geo. Pitt Rivers

I trust that you are recovering
your health -
