My Dear Sir

You have kindly
sent the Essex Arch.
Soc. the issues of your
valuable work on
your excavations.

I heard that a fourth
vol. had appeared
but perhaps I was
wrongly informed

If so excuse me
for troubling you
but

I think our library
of the Essex A. S. in
Colchester Castle has
only 3 vols. & needless
to say we shall value
the further portions.

Kindly accept the
little work herewith
sent. I fear it is
not very archaeological

I am, my dear Sir
Yours faithfully

J. C. Gould
