

Some 7 or 8 swallows have
been flying round my
house this morning?
It ~~is~~ ^{is} not an uncommon
occurrence for such birds
to be here in England in
November.

My dear Sir,

I have been waiting, before
writing to you, for a reply to
a letter I wrote to the Bishop's
Secretary re: asking for instructions
as to the procedure to follow
in the matter of an exchange
of vicars. I have heard
from him this morning,
and he tells me that
nothing can be done until
the written consent of
both Patrons has been obtained.

as this is the case, may I ask
if you will kindly send
me a letter in which you
give your consent to the
exchange, and the appointment
^{or presentation}
of Rev. Lind. S. Plouman
vicar of Quethiock Cornwall
in my place?

after these from you, I shall
then be able to obtain the
Bishop's approval.

I have to thank you for receiving
Mr. Plouman a few days ago.
He was greatly pleased with
his visit and interview -
and thought it most kind
of you to see him, as far

were in your sick room.
I too of course was gratified
at your message & by
him - that you found nothing
"objectionable in Mr. Plouman's
views"

our visit to the grounds at
Lanma Tree - & the Museum
was very enjoyable, at
least a week ^{more} required to
thoroughly examine your
best collection.

Apologies for again troubling
you. I hope that you are
much better in health

I am Dear Sir
Yours truly

Dear Sir,

I have had a long conversation with Mr. Plowman and do not see any objection to his exchanging livings with you. Excuse the delay in answering your letter. I have not yet recovered from illness and my memory is very bad.

Yours truly.

A. Pitt-Rivers.
