Committee, for the Promotion of the Fund for the
Fitting-up and Equipment of the Essex Natural
History and Educational Museum, West Ham.

BUCKHURST HILL ESSEX,

Dec. 14th 1898.

Dear Sir,

*In answer to your note,
we should be very glad to have Vol.
IV of your magnificent work "Excavations
in Cranborne Chase". We have the
previous three volumes.*

*I am, Yours faithfully,
W. Cole
Secy.*

*General Pitt-Rivers
F.R.S. &c.*

*P.S. You will be pleased to learn
that our President, Mr D. Howard, has*

with other members of his firm,
purchased the land of which
the Parking Camp forms part.
Mr Howard assures us that
the Camp will be preserved,
and he is willing that an
exploration should be undertaken
by the Club, to endeavor
to settle the age of the Parkworks.
I have but little doubt that
the Club will undertake this,
as soon as we have got rid
of the task of firmly establishing
our County museum.
