Dear General Pitt Rivers

I shall esteem
myself highly favoured
to receive Vol. IV of
your "Excavations in
Cranbourne Chase".
I have been looking
forward to an opportunity
of studying its contents

even
Since reading your
Address to the Archaeol.
Institute at Dorchester,
we know so little
about sites inhabited
by the Bronze Age
people that the
results of your explorations
scientifically conducted
are of the highest
possible value

wishing you all the
compliments of the
Season

I remain
yours truly
J Romilly Allen
