July. 3. 1886.

Dear Gen. Pitt-Rivers

I was very glad
to hear through Manvell Pleyden
that you intended to
support me as a Liberal
Unionist in the pending
contest for North Dorset.

Might I ask you to
help me by dropping
a line to your agent
Mr. French and begging
him to give me and
the cause any assistance
in his power.

I have little or
no organization - and
am opposed by a powerful

caucus. I require therefore
all the Extraneous aid
which I can obtain

Yours very truly
Evelyn Ashley
