Mr. Amos Pitt Rivers, by
who said that the Genl.
would be glad to have
the designs.

Dear General Pitt Rivers

My sister, Mrs French,
writing to me from India last
week, asks if you have
decorated your Indian houses
she saw them when home
last summer - if you have
not, says that she would be
pleased to send you designs
with the correct colouring - she
lives with the Saclawar's boys
in Baroda - Believe me,
yours truly
