My dear General

Many thanks for
kindly offering to send
me vol IV of your Excavations
in Cranborne Chase -

I shall be delighted to
have it - I have the vols
I, II & III & often find them
most useful for reference.

I have just returned
from Egypt where I got

17. COLLINGHAM GARDENS,
SOUTH KENSINGTON,
S.W.

Some very good things
including excellent flints
(worked) from Negada
& other prehistoric objects.

Hoping that you are well
with best regards to Mrs

Pitt Rivers & yourself
Love

Yrs very truly

H. Pitt Rivers
