FREDA, CAMPDEN ROAD.  
CROYDON.

Dear General

I'm not sure whether  
I write to thank you for  
the copies of your 4<sup>th</sup> vol.,  
which you kindly sent to  
me, for our Public Library  
& myself. If I did  
however, it will bear doing  
over again. I am  
very much obliged for  
the book

Hoping that you have not  
suffered from the late  
falses, I am,

Yours very truly
