Dear Genl Pitt Rivers

You will I know
regret to hear of the
other sudden death of
my very dear friend
Miss A. W. B. B. B. She
died on the 4th Inst. - a
few days before your
kind note giving her
permission to use your
article on the history of
circles. After a happy

Companion of 26
years. I felt utterly pros-
trate at her loss much as
soon as the different
members of her family
by word returned to
Porta. I came here
for a few days to
my son's home in
this lovely country.

St. Basil Church is a
Medical man of this
place & has a fairly

good practice. With
thanks for your well
remembered kindnesses
to Miss Bratslavich
Yours very truly
Wm. Casey Hobson
