Manisty

Mr. H. Clayton Manisty
presents his Compliments
to General Pitt-Rivers
and wishes to mention
that some weeks ago, he
sent to General Rivers
a note, enclosing a Roman
Coin taken last summer
out of the Roman city
at Silchester, Hants

Having that General
Piero was a collector &
had a Museum in ^{Ortise}Ortise
Mr. Maritz offered it at
such price as might be
deemed reasonable

Mr. Maritz fears the
letter must have miscarried.
